

Cookies Preferences

This website uses cookies. We use cookies to personalise content and ads, to provide social media features and to analyse our traffic. We also share information about your use of our site with our social media, advertising and analytics partners who may combine it with other information that you've provided to them or that they've collected from your use of their services.

Cookies are small text files that can be used by websites to make a user's experience more efficient.

You can at any time change or withdraw your consent from the Cookie Declaration on our website.

Necessary Cookies:

These cookies are necessary for the website to function and cannot be turned off. They are usually only set in response to actions made by you such as setting your privacy, languages, logging to your artist account if you are an artist or filling forms. You can set your browser to block or alert you about these cookies, but some parts of the site may not work then.

Third-party cookies:

These cookies are set through our site by a third-party, such as analytic systems and advertisers. Read below for more information.

Performance Cookies:

These cookies allow us to count visits and traffic sources and test different set of features, so we can measure and improve the performance of our site and your experience. They help us know which pages are the most and least popular and see how visitors move around the site. All information these cookies collect is aggregated and therefore anonymous. If you do not allow these cookies, we will not know when you have visited our site.

Advertising Cookies

These cookies are set through our site by advertisers. They may be used by those companies to build a profile of your interests and show you relevant ads on other sites. They work by uniquely identifying your browser and device. If you do not allow these cookies, you will not experience our targeted advertising across different websites.

Tools used: Facebook Ads / Google Ads

If you wish to remove all data you may have provided to the DiGiPort Platform at any moment, feel free to contact us.
